

Mundialito

no boundaries
(team competition VI Edition, 2018)

T-shirt race regulations

This regulation refers to a tender that is now customary to be combined with **MUNDIALITO CSEN no boundaries (team competition)**.

The t-shirt competition was designed with fun and collaboration between the participants.

The goal of this race is to decree the team with the best T-shirt from Mundialito Csen.

The Judges

The judges are the same judges of the Mundialito-Csen.

The categories

The categories of judgment are 4:

1. Relevance to the team name
2. Fantasy
3. Irony
4. Beauty

Scores

Each judge will have 10 points for each category for each team.

The maximum sum that can be reached by the team for each judge is therefore 40 points.

Awards

The winning team will have the right to access the Finalissima (if not already qualified in selection tenders).

The first three ranked teams will be rewarded by the sponsors.

In case of a tie, the winner is the one who scored the most points in beauty, if even in fantasy, if still even in irony.

Program

In the opening ceremony of the Mundialito Csen the judges will be able to give the scores to all the teams.

The sum of the points, and therefore the ranking, will be kept secret until the end of the qualifications.

The winners will be awarded during the awards ceremony of the teams that qualified for the final.

The Technical Committee for Mundialito Csen reserves the right to make small changes even at the last moment, if necessary for the success of the Event.
